

Hudson Limestone

The consistent warm grey color of *Hudson Limestone* is enhanced with a gentle dusting of fossilization. Hudson has excellent density and hardness of the stone paired with low absorption levels. **Stock sizes and finishes:** shown below. Stock FOB: Los Angeles warehouse.

Slab Finishes: Honed, Brushed, Bush-hammered or Sandblasted. **Slab Sizes:** approx. 30 x 82 x 1-1/4" or 2"

Custom sizes & finishes are subject to minimum quantities & 8-10 week lead time. Usage: Commercial & Residential; Interior & Exterior & Freeze/Thaw applications. Stone is a natural product, please expect some beautiful color variation.
