

CUSTOM STONE COLLECTION

HAND-FINISHED DIMENSIONAL STONE

Although stone is quarried on every corner of the globe, the fine art of stone masonry has been all but lost in the modern world. The Hand-finished Dimensional Stone Collection represents a return to old-world, quality craftsmanship. The master artisans have trained for generations to perfect their skills, utilizing specialty tools and techniques to create each unique finish.

The Collection is available in pavers, cobbles, wall caps, veneers and architectural accents- made to custom specification. Broad size range is available in cobble, tile & slab- please contact CTM for more info. Lead time: please allow 12-14 weeks.

FOB Los Angeles warehouse. Stone is a natural product, **please expect some color variation.**

Unfinished quarry blocks of Amazon Limestone

Adze finish created with an Adze hammer tool

Amazon Limestone: Coarse Adze finish (shown wet)
